J. W. MAY MAKES "KILLING" WITH TWO YEAR-OLD FILLY. MISS WIGGS

Juvenile Scores After Being Backed from 50 to 1 to 12 to 1-Stewards Bar Ragman After Poor Showing and Threaten to Go Further.

Jacksonville, Fla., February 20.—J. W. May, who is handling a big stable here this winter, put over one of his occasional good things this afternoon when the two-year-old filly, Miss Wiggs, galloped home winner of the opening dash, beating the favorite, Gold Mine, by a length and a half. Miss Wiggs was one of the extreme outsiders in the early stages of the speculation, but was backed by Mr. May and his friends from 50 to 1 to 12 to 1, at which odds she went to the post. She broke from the outside, ran around her company and, wearing the leaders down, won going away, Mr. May is reported to have won over \$5,000 on the race.

A selling handicap at one mile and a condition race for three-year-olds at three-quarters were provided as features. Wrap proved an easy winner in the latter race, but the handicap found Princelike and Tom Hayward under a gruelling drive through the stretch, with the Chinn entry first at the finish by a short head. Ragman, the well-backed favorite, showed a poor performance. He was riden by Guy Burns and was never a factor at any stage. The horse's race resulted in a ruling from the stewards which bars Ragman's entry for the remainder of the meeting. It was also given out that any other form reversals from this stable would result in the refusal of all of its entries until a trainer more competent in the opinion of the stewards than H. Marshall be employed.

Jockey Hopkins, who had the mount on Stafford in the fifth race, was suspended for two weeks for rough riding. In the run down the backstretch Hopkins pulled over, against Boyal Onyx and threw the latter against the inner rail. Royal Onyx was a keen factor at the time, but the interference put stim out of contention.

White Wool was ineligible to start in the third race because he had won two races of \$400 value since October 1.

A. G. Woodman and J. Gatlin arrived from Tampa this morning with their horses.

Cold and Unseasonable Temperature Keeps Attend ance at Mexican Course Down to Regulars.

El Paso, Tex., February 20.—Under the most adverse weather conditions, the attendance at Juarez yesterday was almost up to the usual Sunday proportions. The track conditions marred the racing to a perceptible extent, but despite this handicap a good day's sport resulted, a majority of the finishes being close and exciting. Form followers were much at sea, however, one lone favorite scoring. The fifth race was spoiled by the running away of Sigurd, the heavily backed favorite, for three-quarters of a mile before the start, leaving such little contention that the race was a procession throughout, with Du Bois, a Kentucky Derby eligible, an easy winner.

Harry McCarthy and W. Collins were among the arrivals from California.

The stables of B. S. Michell, A. G. Blakeley, Oakwood Stock Ranch, C. S. Wilson, J. Weaver and W. J. Speirs arrived yesterday morning from Oakland. Jockeys E. Martin and J. Glass accompanied the horses. C. P. Waterhouse's Derby candidates. Eddie Dale and Maxdice, were included in the shipment. Horsemen report a scarcity of cars at Oakland and say that many are awaiting an opportunity to ship.

Senor Alex de la Arena is gradually getting together one of the best studs of young marcs in Mexico, and he expects some good results from his venture in the next few years.

W. G. Yanke will have a weeding-out of his stable hefore leaving Juarez for Kentucky the coming spring. Among the horses he will dispose of while here is Sooa.

W. A. Watkins paid J. N. Tholl \$1,500 for Sigurd.

El Paso, Tex., February 20,—Weather that was intensely cold for this section and the poorest card of the season greatly affected the attendance today, the smallest crowd of the meeting turning out. Notwithstanding the trying track conditions, favorites fared well, three of the races going to well-backed public choices.

A. B. Spreckels wired today that owing to illness among the horses he contemplated shipping here he was compelled to cancel all stake engagements for the meeting and, while regretting his inability to race here, expressed to the management his best wishes for their future success.

T. W. O'Brien arrived today from Oakland and will operate during the rest of the season.

The Juarez track remains extremely heavy and it is evident that some days will clapse ere fast going again prevails.

THIRTY LEADING JOCKEYS.

Since the last publication of the list, jockey McCahey, who is showing excellent form at Jacksonvine, has succeeded in wresting the leadership of the jockeys for 1911 from T. Riee. From January 1, to and including the racing of last Saturday, McCahey's record of winning mounts was thirty-six, as against thirty-five piloted by Riee. The record of the thirty leaders for the period named is as follows: Mts. 1st. 2d. 3d. Unp. P.C.W'ks...183 36 23 29 95 .20 9

The Hunts Committee for 1911 is composed as follows: Charles K. Harrison, Jr., Maryland, chairman: Fletcher Harper, New York, vice-chairman; Frank J. Bryan, secretary; James W. Graves, Virginia; William M. Kerr, Pennsylvania; Charles Pfizer, New Jersey; Joseph W. Burden, New Eugland; H. S. Page and Henry Higginson.

AVIATORS HOLDING FORTH AT TAMPA TRACK.

Tampa, Fla., February 20.—The aviation exhibitions attracted thousands to the West Tampa track this afternoon. The flights of aviators McCurdy and Beachy overshadowed the racing, but as the aviators did not begin to give their exhibitions until after the fifth race, the crowd was kept well entertained by interesting racing. Speculation fell off to a great extent and was confined mainly to the regulars. As most of the winners were liberally backed, the layers had a disastrous day.

In recognition of his feat in saving his associate, Paul, from serious injury last Friday, jockey Dreyer will be given a handsome gold medal appropriately inscribed.

Winner—Br. c, by Bowling Brook—Granadine (trained by C. Howell).

Went to post at 4:29. At post 1 minute. Start good. Won driving; second and third the same. DAYE MONTGOMERY forced the pace for five furlongs, then made a fast sprint in the middle of the track in good going and won going away. INTERPOSE saved ground by a close stretch turn and took the lead, but tired in the final drive. JOE EHRICH came from the rear rapidly and was going fastest of all finally. E. M. FRY showed speed, but tired and quit badly. NED CARMACK showed the most early speed, but after setting the pace to the stretch.

Scratched—94479 Pedro, 112.

Overweights—E. M. Fry, 2 pounds.

Jockey Club will arrive tomorrow to remain several days to enjoy the fishing and also to look after entries for the stakes to be run at Latonia this spring. While here Mr. Hachmeister will also look after the interests of the New Louisville Jockey Club, and will accept entries for the stakes offered by that association.

It is probable that the Tampa meeting will be extended at least two weeks beyond the originally scheduled period of sixty days. It is thought that the horses will be transferred to Pensacola for a meeting of twenty-one days, beginning about April 1.

1. General Manager Strode and the aviators that gave an exhibition at the Tampa track yesterday were arrested on the charge of violating the state laws by exhibiting on Sunday with an admission fee.

ROWE TO TRAIN WHITNEY HORSES.

inscribed.

Tom Jiaffield sent Emperor William and Allowmaise to Jacksonville this morning and these horses will be raced there during the penainder of the meeting.

Jockey Whatley was suspended for two days by the starter for disobedience at the post.

General Manager John Hachmeister of the Latonia ROWE TO TRAIN WHITNEY HORSES.

New York, February 20.—Harry Payne Whitney who took most of his racing establishment abroad to the very support of the training season. He has engaged James Rowe to take full charge of his

horses at Brookdale Farm and of such horses as he may select to race on metropolitan tracks this year.

Mr. Whitney's action is taken by racing men as an indication of his belief that racing is due for an extensive revival this summer. Brookdale Farm includes about \$50 acres, most of it as good grazing land as can be found in New Jersey, which Mr. Whitney has under lease.

ANSWERS TO QUERIES.

Jess R., Danville, Ill. The reply should have read, "by Order (sire of Ornament)—Plumage."
T. E. H., Chicago. The parlay won unless the bookmaker operates under the rule that added starters run for his book.

A. M. C., St. Louis, Mo. According to the wording of your statement of the matter both bets and the place winnings of the first bet lost.

H. B. S., Cincinnati, O. There is no such thing as a recognized "world's record" in racing. The American record for three-quarters around turns is 1:11, held jointly by Chapultepec and Prince Ahmed. Over a straight course it is 1:08, and held by Artful. In England Master Willie ran three-quarters over a straight course in 1:075.

NOTES OF THE TURF.

D. Meschendorf, of Louisville, Ky., has purchased of Peter Clinch, of St. John, N. B., the well-known stallion Garry Herrmann.

The report comes from Norfolk that the preachers of that city will try to make trouble for the approaching spring meeting at Jamestown.

F. Murphy, who piloted the 300 to 1 shot Bright Skies to victory at Oakland track a few seasons ago, is now a beliboy in a fashionable San Francisco hostelry.

Trainer Nixon has goue to Hamilton, Ont., to transfer Denham, Parmer, Commola and Whaup to Woodbine to join the other horses of the Valley Farm Stable. These will be all the horses he will have this season other than two-year-olds.

A new development in relation to the constitu-tionality of the Hart-Agnew law in New York state is the raising of the question of the eligibility of Otto Focker, whose vote helped in the passage of the bill by one vote, to a seat in the senate, on the ground of non-naturalization.

ground of non-naturalization.

The San Francisco Chronicle alleges that "the handbook operators in San Francisco are making preparations to take bets on the Juarez races, claiming that they will be immune from arrest, because the races are run in Mexico. Interesting developments can be expected in this direction, as the handbook men have had legal advice on the matter and threaten to take a chance, despite the strict anti-betting law."

According to reports from the coast the operations of the layers at Oakland during the recently ended meeting were not attended with profit. Frank Bain is credited with being the biggest winner, while bookmaker Ryan of New York was the heaviest loser by many thousands. George Rose was actually a loser on the season when he started operations on the closing day, but he cleaned up \$5,000 on the day's business, which put him ahead.
